Everyday Literacy and Communication	\$75.00
Customised Employment	\$65.00

We ask that **you pay your Compulsory Contribution component** as early as possible as this assists us in our yearly budgeting process. By contributing, you help us continue to offer engaging and enriching experiences for every child. Let's work together to reach full participation in 2026.

Charges 2026

Throughout the year, your child may have the opportunity to take part in a range of co-curricular activities. These are offered on a **pay-as-you-go basis**, meaning you'll only be asked to pay for the activities your child participates in. The amounts listed are the **maximum** you might be asked to pay for each activity. If your child is involved in any of these, their Classroom Teacher will let you know, and you'll receive **notification before** the activity takes place.

Senior School (Year 11 – 12)		Up to \$920.00 On notification
Graduation lunch	Year 12 students graduating in 2026 only	\$40.00
Graduation shirt	Purchased in Term 1 for Year 12 students	\$50.00
