

Dear Parents, Carers and Families

Here we are, the final newsletter for the term—it has been such a busy term and I have lots of information to share with you. Firstly, I would like to thank parents and families for their patience and support around some classroom changes that occurred at the start of the term, as well as those who have had their IEP meetings delayed due to teacher absences in the last few weeks. I understand that this can be disruptive however, we have taken every step to ensure smooth transitions for students and to ensure that each student has an appropriate educational plan in place. As is our practice IEPs and Touch Plans etc will be sent home in the final week of term, *unless we contact you directly.*

Secondly, I would like to thank our relief staff for always being there to ensure our students are supported throughout the day. Relief EAs and Teachers are a bit like unicorns, so when you find them you value them, only then do they sprinkle their magic dust.

Mrs Leah Coutinho was supposed to be on leave this term, but she put that on hold because we did not have a replacement. We are very appreciative of this sacrifice, but can now advise that Mr Michael McGoldrick will be returning to our school next term to teach in LA 3,4, allowing Ms Leah her well deserved leave. Mr McGoldrick has taught in Education Support for many years and has previously been a member of our staff. We are happy to welcome him back. We may have a few additional changes next term, as some staff adjust their work hours—this will be managed with the least disruption to classes. We have almost completed a Merit Selection process for EAs and will know the results of that next week.

As many of you are aware from previous Newsletters we have been discussing the closure of the school for a day each semester to hold Parent Report Meetings. This has been circulated to parents and staff via our survey and discussed at length with staff and the School Council. The survey results supported the views of the Council so I have informed the Regional Director of Schools of our decision, which has now been approved. The Semester One Parent Report Meeting Day will be **Wednesday June 24th 2026** and Semester 2 will be Wednesday **December 9th 2026**. Both days will operate from 9—3 and 4-6pm allowing some after hours time for those who are working during the day. We believe this will be a practice that provides the parent/carer community with an excellent opportunity to engage with staff and discuss their child's progress and celebrate successes in an efficient manner. More details about the Reporting Days can be found in this newsletter.

Thank you for your support again this term, have a safe and festive Easter holiday.

Regards

Pauline Winrow

Learning Area LA 2

The students in LA2 have made a wonderful start to the term and have settled into classroom routines with confidence. They are becoming familiar with daily expectations, transitioning more smoothly between activities, and showing increasing independence within the classroom.

Our Pre-primary and Kindy 2 students have been enjoying Sensorium Theatre sessions on Thursday mornings. Through engaging themes such as *Here is the Sea*, *Twinkle Twinkle* and *Peas and Porridge*, students have been exploring the sounds, sights and textures of each theme in a rich, sensory learning environment. These sessions support engagement, curiosity and communication in meaningful ways.

With Miss Liz, our Visual Arts teacher, students have been creating beautiful artwork, including lanterns to celebrate Lunar New Year and Matisse inspired collages. These creative experiences encourage self-expression and provide opportunities for students to explore colour, texture and cultural traditions.

The gym and the library have quickly become favourite places to visit within the school. Students enjoy participating in movement activities in the gym and exploring books and stories during library sessions, supporting both their physical development and early literacy skills.

It has also been lovely to see students beginning to form friendships, engage positively with their peers, and build social connections within the class.

Adeline looking at the spider she chose during an activity for our book of the fortnight *Brown Bear, Brown Bear*.

Atlas enjoying the lights at the *Twinkle, Twinkle* Sensorium Theatre session.

Chaan exploring the fish in in Sensorium Theatre's *Here is the Sea* session.

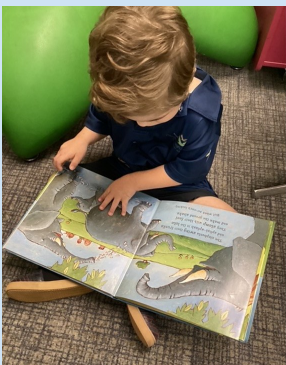

Dash giggling at the sound of the waves in Sensorium Theatre's *Here is the Sea* session.

Chaan having fun in the ball pool in the gym!

Chaan painting his happy face as part of our emotions lessons.

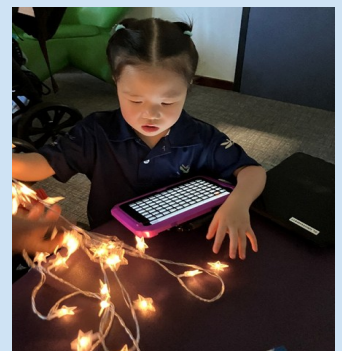

Leonardo enjoying the books in the library

Afnan enjoying the sand in the early years playground

Dash creating a painting using rosemary as a paint-brush

Abby exploring the lights during the *Twinkle, Twinkle* Sensorium Theatre session.

Learning Area 7/8

LA 7/8 have had a fun and busy term together! We enjoyed celebrating Lunar New Year across the curriculum, including making delicious dumplings with Ms Lisa. In Literacy we are reading sensory stories. This is a great way to develop our conversational skills using our communication devices. We have incorporated ICT skills and choice making during our Shared Writing sessions.

Zoe making dumplings for Lunar New Year.

Droho dancing with the dragon for Lunar New Year.

Mina and the dragon

During Numeracy, Sensory exploration and Design and Technology, we have explored the qualities of materials and concepts around heavy/light, more/less and soft/hard. The students have enjoyed feeling the variety of textures. For Health, we have been looking at friendships, and social skills around turn taking.

We have been practicing fundamental movement skills through everyday living during Physical Education with Ms Liz. We loved watering our garden using different sized watering cans and spray bottles. Our Yoga session in the gym have also been a favourite because we can come out of our chairs and stretch out together. We have begun playing All Abilities football outside our classroom and are looking forward to making our team shirts next term.

Nura stretching during our yoga sessions at the gym

For Visual Art we have been inspired by Artist Matisse. Using bright coloured paper to make colleges. We have been using warm and cool colours. Next, we will be making stencils with our names and chosen numbers for our team football shirts!

Term One Reminders

Car Park

You may have noticed our new speed limit signs in the carpark. We are hopeful that they will slow drivers down when on our site and make the area safer for all. Please drive at or under the limit when entering the school gates.

We have also repainted the direction arrows to stop drivers from entering the carpark the wrong way—hopefully this will make your drive in easier.

Please do not try to get around school buses—if you pull in behind them you must wait as they do have priority.

Our Zebra Crossings are for student safety—please do not park on them

Those with wheelchair needs can receive assistance from staff once you have your child secured in their chair and ready to enter the school via the zebra crossings.

Lets all keep the carpark a safe, calm and respectful environment.

Water Fun Day

Thursday was Water Fun Day—and believe me it really was! The dinosaur sprinkler, crazy bubble lady and the Castlereagh Foot Spa were highlights of the event. We were initially concerned about the weather, however it was warm enough for fun and the little bit of extra wind helped send our bubbles all the way to the oval, where the kids from Burrendah got very excited! We were joined in our activities by a group of our student friends from Willetton SHS—they were great, joining in with our students and ensuring as many staff as possible got hit by the Super Soaker!

YouthCARE Chaplain - Community Support

Last week, I had the opportunity to head to Malibu School to connect with fellow Chaplains from schools and Centres across the Education Support South Network and receive some professional learning from Malibu Principal Julayne Charlton. It was so encouraging to spend time with others who are passionate about supporting school communities and families within the disability space - an area that brings its own unique and meaningful challenges. Sharing ideas, resources and encouragement with one another is incredibly valuable as we continue to support our school communities and the ESSN.

Our final Parent Cuppa Catch-Up for the term will be held on Monday morning March 30th- I would love to see you there if you're able to come along!

I am at school all day on Mondays and Fridays, and on Thursday mornings. You are always welcome to call or text me on **0428 307 886** if you would like to connect.

Wishing you and your family a joyful, restful Easter and school holiday break. Thank you for being such a valued part of the Castlereagh community.
